

DC Veenendaal

Through a sale & leaseback transaction ProDelta acquired the 45,000 m² distribution centre from TDG BV. The complex is located on Arsenaal 2 in Veenendaal. The complex is currently leased by XPO Logistics and PON Logistics. The complex offers 43,190 m² of multifunctional and modern business space, of which more than 7,232 m² is equipped for the storage of hazardous substances. The modern office gives your logistics company a professional appearance.
